Golf Car Fleet Exchange

to Club Car Tempo Electric Golf Cars

Thank you for your patience as we exchange our existing fleet to a new fleet of golf cars. Worldwide supply chain challenges are affecting the golf car industry as much as, or even more than, many other industries. Ordinarily this process would have been completed during the winter months long before the golf season began.

Be aware, the new fleet of Golf Cars does not have GPS Screens.

We recommend you bring personal GPS devices, such as:

Smart Phone Apps i.e., USGA GHIN Enhanced GPAS

GPS Watch

Range Finders

Blue Tooth Speakers/Range Finder Combo units

Thank you very much for your understanding as we navigate these challenging times. We maintain our goal of providing our guests outstanding golfing conditions and overall experience.

Thank you for playing Mill Pond Golf Course.
