

RAIN CHECK POLICY

Rain checks will only be issued if management determines that the weather has caused the golf course to be closed.

If management deems the course to be playable, no rain checks will be issued.

If management deems the golf course unplayable, each individual player must go to the Pro Shop to request a rain check prior to leaving the golf course that day.

- Golfers who have played 3 holes or less will receive a rain check valid for 18 holes.
- Golfers who played more than 3 holes, but less than 12 holes, will receive a rain check for 9 holes.
- Golfers who have played more than 12 holes are not eligible for a rain check.
- Rain checks are valid for 6 months from the date of issue.

Rain checks are to be issued based on the original fees paid by the Golfer including rate type (WD, WE, Peak, Twilight etc.) and cart fees paid.

Rain checks are only issued if the golf course is not playable due to weather, or if management approves due to other circumstances, such as injury.
